COMPANY PROFILE

公司简介

千种规格全标准
富泽法兰适配各类工况
Thousands of specifications all standard
Fuze flanges fit all kinds of working conditions

浙江富泽法兰管件有限公司地处中国阀门城·温州龙湾滨海工业园区，交通便利，物流快捷。是集成化的不锈钢法兰管件专业制造商。企业拥有完善的质量保证体系与售后保障服务体系，给我们一个合作机会，还您一份满意！企业主导法兰品种包括：不锈钢法兰，平焊法兰，对焊法兰，盲板法兰，大口径弯头，高压法兰，小口径法兰，管板法兰，人孔法兰等各种法兰产品。管件品种包括：不锈钢管件，不锈钢弯头，冲压弯头，焊接弯头，对焊弯头，不锈钢大小头（异径管），同心大小头，偏心大小头，不锈钢三通，不锈钢翻边短接，不锈钢四通，对焊弯头，厚壁弯头，压制弯头，四通等，1000多种规格。产品具有抗防腐、耐酸碱、使用寿命长等，价格计算合理，表面光滑，耐酸耐碱耐高温，外形美观，质感性能强。制造标准：国标，美标，俄标，日标等。材质有：20#、304、304L、321、316、316L、310S等多种材质。企业以良好的信誉报答广大用户对我们的厚爱，秉承“一切为用户满意”的经营理念，将不断为广大用户提供更优质的产品和更完善的售后服务，为建立现代化企业努力奋斗。竭诚欢迎新老顾客携手合作，共创辉煌！

Zhejiang Fuze Flange Pipe Fitting Co., Ltd. is located in Longwan Industrial Zone, Wenzhou, China Valve City, with convenient transportation and fast logistics. We are a professional manufacturer of integrated stainless steel flange fittings. The enterprise has established a comprehensive quality assurance system and after-sales service system, giving us a chance to cooperate and returning your satisfaction! The leading flange varieties of enterprises include: stainless steel flanges, flat welding flanges, butt welding flanges, blind flange, large-diameter elbows, high-pressure flanges, small-diameter flanges, pipe plate flanges, manhole flanges and other flange products. The types of pipe fittings include: stainless steel fittings, stainless steel elbows, stamped elbows, welded elbows, butt welded elbows, stainless steel reducers (reducers), concentric reducers, eccentric reducers, stainless steel tees, stainless steel flanged shorts, stainless steel tees, butt welded elbows, thick walled elbows, compression elbows, tees, etc., with over 1000 specifications. The product has anti-corrosion, acid and alkali resistance, long service life, reasonable price calculation, smooth surface, acid and alkali resistance, high temperature resistance, beautiful appearance, and strong texture performance. Manufacturing standards: National standard, American standard, Russian standard, Japanese standard, etc. There are various materials available, including 20 #, 304, 304L, 321, 316, 316L, 310S, etc. The enterprise repays the love of its customers with a good reputation, adheres to the business philosophy of "everything for customer satisfaction", and will continuously provide higher quality products and more comprehensive after-sales services for its customers, striving to establish a modern enterprise. Sincerely welcome new and old customers to work together and create brilliance!

QUALIFICATION HONOR

资质荣誉

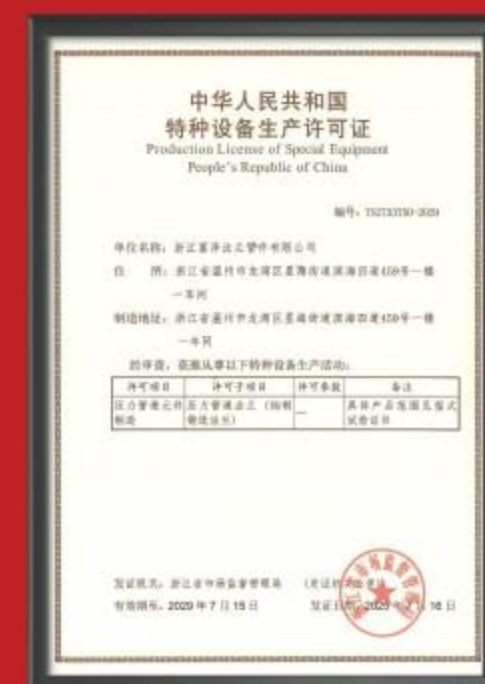

持证规范生产 品质有据可依

Certified and standardized production
Quality is evidence-based

严苛品控，权威认证加持；匠心制造，多项荣誉加冕。企业拥有完善生产资质与专业检测能力，遵循规范化生产标准。每一项资质是品质底线，每一份荣誉是市场认可，坚守精工理念，赋能管道工程安全运行。

Strict quality control and authoritative certification support; Crafted with ingenuity, awarded multiple honors. The enterprise has complete production qualifications and professional testing capabilities, and follows standardized production standards. Every qualification is the bottom line of quality, every honor is market recognition, adhering to the concept of precision, empowering the safe operation of pipeline engineering.

HONOR

TECHNOLOGICAL PROCESS

工艺流程➤

质量是企业的生命，是企业发展的灵魂和竞争的核心。富泽法兰不仅认识到了提升生产效率、降低浪费的重要性，更将“质量就是企业生命”这句话深深的植入到企业的基因之中，以客户需求“百分之百满意”的质量标准落实践行。

Quality is the life of an enterprise, the soul of its development, and the core of its competition. Fuze Fran not only recognizes the importance of improving production efficiency and reducing waste, but also deeply implants the phrase "quality is the life of the enterprise" into the genes of the enterprise, implementing and practicing the quality standard of "100% satisfaction" with customer needs.
